

The graph consists of 44 nodes, numbered 1 through 44, arranged in a circular pattern. The nodes are connected by 43 edges, forming a single continuous path that visits every node exactly once. The edges connect the nodes in the following sequence: 1-2, 2-7, 7-4, 4-8, 8-14, 14-19, 19-21, 21-28, 28-35, 35-40, 40-43, 43-36, 36-32, 32-29, 29-25, 25-22, 22-20, 20-27, 27-33, 33-39, 39-41, 41-44, 44-42, 42-37, 37-38, 38-31, 31-30, 30-26, 26-23, 23-24, 24-16, 16-10, 10-15, 15-18, 18-12, 12-11, 11-5, 5-3, 3-6, 6-1, and 1-2.
